FUJI XEROX

ColorQube 8570
Eco-friendly Printer
with Amazing Colour Output

xerox

ColorQube
8570

Vibrant and Environmentally Friendly

The ColorQube 8570 printer produces exceptional colour quality while keeping an eye on the environment. Coupled with its strong ease-of-use, it is an ideal solution for small and medium businesses to achieve high quality colour prints in an extremely easy and reliable way.

Astounding Quality and Efficiency

- Fast print speed of up to 40 ppm for both colour and monochrome. First-page-out time of less than 5 seconds for improved efficiency.

- Rich and saturated colours for exceptional and lifelike results.

- Superb resolution achieved with 2,400 FinePoint™, while PANTONE Colour approved solid colour simulations provide accurate colour output.

- As solid ink is far less dependent on the paper's surface, highly consistent levels of colour quality across the broadest range of media types can be achieved.

- *Color by Words* is a breakthrough colour-matching technology that answers the customers' need for colour accuracy. Users can select from a unique menu of words, such as "red apple," "blue sky" or "green grass" to fine tune the colours they desire. With *Color by Words*, everyone from a graphic designer to the part-time PowerPoint warrior can more easily achieve the desired colours.

Take a closer look...

Exceptional colour
Solid ink provides the most vibrant colours, rich and saturated for lifelike results.

Consistency
With solid ink, you get the same great results, print after colourful print.

Unique colour control
Original photo not right? With the *Color by Words* feature there is no need to go back to square one and manipulate source files. Use the *Color by Words* drop-down list and choose "pink colours a lot more pink" for picture-perfect results.

Admirably Eco-Friendly

- **ENERGY STAR® qualified.**
  The ColorQube 8570 meets the stringent ENERGY STAR® requirements for energy usage.

- **Earth Smart Print Driver settings.**
  Environmentally friendly features like 2-sided printing (duplex-enabled configurations) and 2-up layout are easily accessible in a single pop-up window.
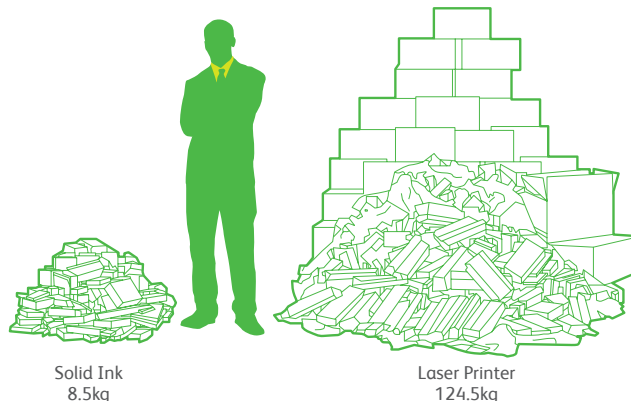

- **Optimise energy usage.**
  Intelligent Ready technology learns your workgroup's usage patterns and moves to low power mode when you are least likely to use it.

- **Minimise shipping costs and storage space.**
  Solid ink cubes cost less to ship as they are much lighter and have smaller packaging than toner cartridges from laser printers. They also produce up to 90 % less waste.

Solid Ink
8.5kg

Laser Printer
124.5kg

Approximate amount of waste generated by printing 4,000 pages per month over 4 years.

Delightfully Easy to Use

- Intuitive control panel offers easy navigation and ease-of-use.

- Easy replacement of solid-ink sticks with no mess, spills and smudges to worry about.

- Increased reliability with fewer moving parts, making them virtually jam-free operations.

- Ink sticks can be replenished at any time, even during printing, unlike other printing technologies that store ink or toner in sealed containers inside the printer.

- Each ink stick has a unique shape, making it impossible to mis-load. The only consumables are the ink and maintenance roller. Cartridges, fusers, fuser oil etc required by other printers are not needed.

Specifications of ColorQube 8570

Print Function

	ColorQube 8570DN	ColorQube 8570DT
Print Speed	Up to 40 ppm for monochrome and colour	
Print Resolution	Standard: 525 x 450 dpi Maximum: 2,400 FinePoint™	
Maximum Duty Cycle	85,000 pages/month	
First-page-out Time	As fast as 5 seconds	
Memory (Std / Max)	512MB / 2GB	
Processor	1GHz	
PDL	PS3, PCL 5c, PDF	
Connectivity	Ethernet 10/100/1000 BaseT Interface, USB 2.0, 802.1x	
Supported Operating System	Windows® XP SP1, Windows Vista, Windows 7, Windows Server 2003, Microsoft Windows Server 2008, Mac 10.5+, UNIX	
Input Paper Size	Multipurpose / Bypass: Letter, A4, Executive, B5 JIS, B5 ISO, A6, 3x5 Index Card, Statement, A5, Folio and Legal. Standard Feeder: 250 sheets Manual Feeder: 1 sheet Optional Feeder: 250 sheets Envelopes: US#10, C5, DL, Monarch, A7, US #6 $^3/_4$, US 5 $^1/_2$ Baronial, US 6x9, Japanese Choukei 3 Gou, Japanese Choukei 4 Gou Standard: Legal, Folio, A4, Letter, Executive, B5 JIS, B5 ISO, Statement, A5	
Input Paper Weight	60 to 220gsm	
Media Input Capacity	Standard: 625 sheets Maximum: 2,200 sheets	Standard: 1,150 sheets Maximum: 2,200 sheets
Media Output Capacity	350 sheets	
Dimensions (WxDxH)	368 x 406 x 521mm	495 x 406 x 521mm
Weight	27.4kg	32.6kg
Power Support	240Vac 50 / 60Hz 12 – 6A	
Power Consumption	Fast Colour: 291W (230v) Standard: 264W (230v) Enhanced: 243W (230v) Photo: 175W (230v) Standby: 104W Sleep: 45W	
Environment	Temperature: 10°C - 32°C Humidity: 10 % - 80 %	
Noise Levels	Printing (Enhanced): <59dBA Standby: <31dBA	
Security	SSLv3, IPsec, 802.1x, HTTPS, IPPS, SMTP Authentication, IP Filtering, Hard disk overwrite security, Image overwrite, Audit log, Xerox Secure Access Unified ID System®	
Warranty	One year on-site warranty	

Consumables

Black ColorQube Ink (Standard Yield - up to 4,300 pages*)	108R00944
Black ColorQube Ink (High Yield - up to 8,600 pages*)	108R00945
Cyan ColorQube Ink (up to 4,400 pages*)	108R00941
Magenta ColorQube Ink (up to 4,400 pages*)	108R00942
Yellow ColorQube Ink (up to 4,400 pages*)	108R00943
Maintenance Kit (Standard Capacity - up to 10,000 pages⁺)	109R00784
Maintenance Kit (High Capacity - up to 30,000 pages⁺)	109R00783
Waste Tray	109R00754
Cleaning Kit	016184500

Accessories

Replacement Paper Tray	097S04143
525 Sheet Feeder	097S04142
System Cart with Storage Drawer	097S03636
512MB Memory	097S03635
Productivity kit with hard drive	097S04141

* Average standard pages. Declared yield in accordance with ISO/IEC 24711. Yield will vary depending on image, area, coverage and print mode.

⁺ Yield may vary based on job length, media size, media type and orientation.

What Comes in the Box
- ColorQube 8570 Colour Printer
- Solid Ink Rainbow Pack plus a preloaded starter stick of each colour (total capacity = 3,000 pages per colour)
- Software and Documentation CD (with Quick Installation Guide, Quick User Guide, User Manual, System Admin Guide)
- Power Cable

For Your Safe Use

Before using the product, read the Instruction Manual carefully for proper use.
Use the product with an appropriate adequate power source and voltage displayed.
Be sure to establish a ground.
In the case of a failure or short circuit, an electric shock may result.

Reproduction Prohibitions Please note that reproduction of the following is prohibited by law. Domestic and overseas bank notes and coins, government-issued securities, national bonds and local bond certificates. Unused postage stamps and post cards. Certificate stamps stipulated by law. The reproduction of works for copyright purposes (literary works, musical works, paintings, engravings, maps, cinematographic works, photographic works, etc.) is prohibited except when they are reproduced personally, at home or within limited range according to the above. This product is equipped with an anti-counterfeit feature. This feature is not intended to prevent illegal reproduction. Be extremely careful about the management of equipment used.
