

DocuPrint C3290 FS
Colour Multifunction Laser Printer

print | copy | scan | fax

A compact and intelligent design for optimum office productivity.

50-sheet ADF
Copy, scan and fax multi-page documents up to legal-size.

CCD Scanner
Up to 9600 dpi resolution and supports TWAIN and WIA.

Built-in Duplex Capability
Help save paper costs and produce professional booklet type documents.

Standard 400-sheet Paper Capacity
Paper capacity can be expanded to 950 sheets with the optional feeder. Supports up to 216 gsm media on all trays.

250-sheet Output Tray
Perfect for printing long documents.

New Direct Transfer Printing Technology
Ensures high-definition colour printouts even on plain office paper.

Multiple Interfaces
10/100 BaseTX Ethernet, USB 2.0 and Parallel.

Compact, Space-saving Design
Small footprint and single-front door access for easy installation and maintenance.

Enjoy fast and easy access to all machine functions.

Quick access to important functions via Copy, Fax, Scan to E-mail and Scan buttons.

Large LCD displays 4 lines of text and graphics. Shows status messages, menus and toner levels.

One-touch buttons provide easy access to the first 10 entries in the fax address book.

LED arrows show the fax status and indicate whether sending or receiving is in progress.

Alpha-numeric keypad provides easy entry of e-mail addresses, fax numbers and IP addresses for walk-up usage.

Effortless maintenance

Single front door access allows you to replace consumables, clear paper jams and perform other maintenance procedures from one easy accessible access point.

Consumables
Black (up to 8,000 pages) CT350567
Cyan (up to 6,000 pages) CT350568
Magenta (up to 6,000 pages) CT350569
Yellow (up to 6,000 pages) CT350570

Additional Supplies
220V Fuser Unit (up to 100,000 pages) EL300637
Belt Unit (up to 100,000 pages) EL300635

Accessories/Options
550-sheet feeder with cabinet E3100029
Network Expansion Card E3100030

Additional Memory
256 MB Memory EL300634
512 MB Memory EL300633

CONFIGURATIONS

DocuPrint C3290 FS	
Speed (A4)	Up to 20 ppm colour/30 ppm monochrome
Maximum Monthly Print Volume	60,000 impressions/month
Paper Handling	
Input Capacity	Standard-MPT: 150-sheet, Tray 2 : 250-sheet Maximum: 950-sheet
Output Capacity	250-sheet, face down
Two-sided Output	Standard, Built-in duplex
Print	
Technology	Colour Laser
Resolution	600 x 600 dpi; 9600 x 600 dpi (enhanced)
First Page Out Time	17 sec, colour/16 sec, monochrome
Print Language	PCL5e / 6, Adobe® PostScript 3
Processor	MIPS 400 MHz + ARM Twin CPU (ARM9 150 MHz x2)
Memory (Std/Max)	256 MB / 768 MB
Connectivity	10/100 BaseTX Ethernet, USB 2.0, Parallel
Print Features	Auditron, Secure Print, Proof Print, Booklet Creation, Poster Printing, N-Up Printing, Watermarks, Overlays
Printer Management/Utilities	CentreWare Internet Services, SimpleMonitor
Copy	
Resolution	Up to 600 x 600 dpi
First Copy Out Time	25 sec, colour/13 sec, monochrome
Reduce/Enlarge	25% - 400%
Multi-copy	1 - 99 pages
Copy Features	N-up Copying, ID Card Copy, Clone, Poster, Collation, Auto-Fit
Scan	
Resolution	600 x 600 dpi (optical); 9600 dpi (interpolated)
Scanner Type	Colour Flatbed CCD
Depth	Up to 48-bit / RGB (Colour); 32-bit odd / even (Greyscale)
Max Document Size	Legal 14" (ADF), A4 (flatbed)
Scan Destinations	Scan to PC, Scan to Email, Scan to FTP / SMB
File Type	Multi-page TIFF, TIF, JPEG, PDF, XDW
Fax	
Fax Speed	33.6 Kbps (Super G3)
Transmission Speed	3 seconds / page (monochrome)
Page Memory	Up to 100 jobs or 700 pages
Fax Resolution	Up to 400 x 400 dpi (monochrome), 200 x 200 dpi (colour)
Fax Image	Colour transmission: 256 levels
One-touch/Speed Dials	10 / 200
Fax Features	Colour Fax, Direct Fax, Delay Start, Broadcast Sending, Junk Fax Filter, Group Fax, Secure Receive

SPECIFICATIONS

Network/Software
Supported Protocols: LPD, Port9100, IPP*, SNMP, HTTP, HTTPS*, DHCP, BOOTP, RARP, AutoIP, WINS*, FTP, AppleTalk*, SMB*, DDNS*, SMTP/POP3, NetWare*, Bonjour (mDNS)*
Printer Management/Utilities: CentreWare Internet Services, SimpleMonitor
Font Capabilities: PCL: 81 fonts and 36 symbol; PS: 135 fonts
Printer Drivers: Windows 2000/XP/Server 2003/Vista/64 XP/64 Server 2003, Mac OS X 10.2.8/10.3.2/10.4
Bundled Software: DocuWorks 6.2 Special Edition, Express Scan Manager, Address Book Editor

* Requires optional Network Expansion Card

Paper Handling

Tray 1: 60 to 216 gsm - Plain, Card Stock, Glossy Paper, Transparency, Label, Envelope Media Size: A4, B5, A5, Letter, Executive, Folio, Legal, Com10, Monarch, DL, C5, Custom: 76.2-220 mm (W) x 98-335 mm (L)
Tray 2 & 3: 60 to 216 gsm - Plain, Card Stock, Glossy Paper, Label Media Size: A4, B5, A5, Letter, Executive, Folio, Legal, Custom: 148-215 mm (W) x 210-335 mm (L)
Duplex Printing: 60 to 163 gsm - Plain, Card Stock, Glossy Paper, Label Media Size: A4, B5, A5, Letter, Executive, Folio, Legal, Custom: 77-220 mm (W) x 127-355 mm (L)

General

Size (WxDxH): 460 x 520 x 730 mm (with ADF)
Weight: 40kg (w/o consumables)

Environment

Temperature & Humidity:
Operating: 5 - 32°C, 15/85%RH
Non Operating: -20 - 40°C, 5/85%RH
Noise Levels: Standby: 31dBA; Printing: 55dBA
Electrical: 220-240V ±10%, 50Hz±3Hz/60Hz±3Hz, 9A
Power Consumption: Average Printing: 464W, Standby: 108W, Sleep: 35W or less

Fuji Xerox Printers

Vastly improve office efficiency with this easy-to-use, high-performance A4 colour multifunction printer.

Fast, beautiful output and great productivity features make the new and compact DocuPrint C3290 FS the best choice for small to medium-size offices and workgroups that demand top performance at an affordable price.

Accelerate office operations

The DocuPrint C3290 FS seamlessly integrates your most common office devices into one speedy and easily networkable multifunction printer that will significantly improve office efficiency.

Simultaneous operations

Eliminate waiting time. The DocuPrint C3290 FS allows you to copy, fax or scan while it is printing.

Fast output

Print and copy at up to 20 ppm colour and 30 ppm monochrome thanks to the 400 MHz processor and standard 256 MB of RAM.

Fast input

Easily process multi-page documents with the 50-sheet ADF. Use it for copying, scanning and faxing documents of various dimensions including legal size.

Uninterrupted printing

The standard 400-sheet paper capacity enhances office productivity by reducing user intervention.

Brilliant, vivid colour output

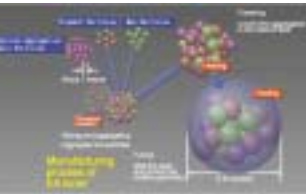

Give your reports and presentations a more professional look. Cutting edge Fuji Xerox technology guarantees consistently beautiful documents for any business use.

Exceptionally bright colours

The DocuPrint C3290 FS uses environmentally-friendly Emulsion Aggregate-High Grade (EA-HG) toner which is different from conventional grinded toners. EA-HG toner particles are chemically produced and exhibit greater uniformity in shape and size than conventional toners. The end result is better printouts that exhibit finer line detail, higher overall image quality and more consistent toner coverage.

Sharper text and images

Fuji Xerox's unique Direct Transfer Imaging Technology improves colour registration for crisp and sharp printouts. This will reduce the risk of mechanical breakdown since there are less moving parts inside the printer engine.

Microscopic view of EA-HG toner particles. Microscopic view of Direct Transfer Imaging Technology.

Not just another multifunction device. It is a complete office productivity solution.

With integrated functions and specifications normally found on devices that will cost much more, the DocuPrint C3290 FS is the ideal office solution that will simplify difficult and time consuming tasks.

PRINT

Printer configuration

The built-in CentreWare Internet Services (IS) utility provides a convenient way to check printer status and configure settings via a web browser. Among other many tasks, CentreWare IS allows you to:

- Check the remaining capacity of consumables and media
- Send printer information via e-mail to administrators
- Check the total number of pages printed
- Configure TCP/IP settings

Secure print

Use the Secure Print function when you want to print a confidential document. Secure Print allows a print job to be temporarily stored in the printer and be printed after the appropriate user authentication is entered at the control panel.

Booklet print

Produce booklets using the built-in duplex printing capability.

Proof read

Proof read a sample print of a multiple copy print job before continuing with the printing.

SCAN

High-resolution colour scanning

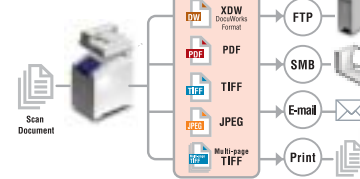

Scan a colour document quickly and easily at up to 36 ipm and 600 x 600 dpi optical (9600 dpi enhanced) resolution.

Scan Lock

Control access to the scanner by requiring a password to be entered at the control panel.

Scan to distribute

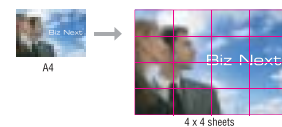

Scan a document once, then distribute it to intended recipients as hard copy, e-mail or as a file on a network server.

COPY

Poster copying

Enlarge and copy a document into several sheets of media, then assemble the sheets to produce a poster.

ID Card copy

Reduce and copy multiple images of a document onto one piece of paper.

FAX

Junk fax

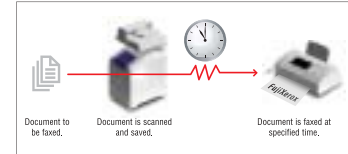

Eliminate reception of junk faxes by setting the device to only receive faxes from persons listed in the address book.

Fax Lock

Control access to fax documents by use of passwords.

Delay fax

Scan and store documents within the device memory, then schedule the documents to be faxed at a specified time. This is useful for reducing communication costs by taking advantage of lower off-peak hours telecommunication rates.

Smoother and more efficient document workflow

Improve the document flow in your office and speed up work with intelligent functions such as Direct Fax, Scan to FTP/SMB, Scan to E-mail and SimpleMonitor. Find out how Fuji Xerox's DocuWorks 6.2 document management software will help you manage and access documents more easily than ever before.

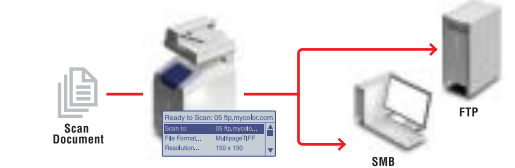

DocuPrint C3290 FS + Optional 550-sheet feeder with cabinet

Direct Fax

Send faxes directly from a PC without the need for additional software. Direct Fax is accessed via the printer driver making faxing quick and easy.

Network Scanning

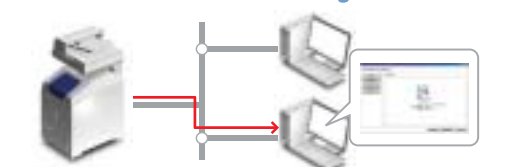

Scan and send documents directly to FTP servers and/or SMB servers without using a PC. For faster operation, you can store server addresses in the printer's address book.

Scan to E-mail

Scan and send documents by e-mail directly from the DocuPrint C3290 FS without using a PC.

Remote Printer Monitoring

The SimpleMonitor software automatically displays printer and print job status. This saves time as you do not have to walk to the printer to check the status of print jobs.
