DocuPrint C2200 Colour Printer
Fast, affordable, business-class colour

A colour laser with all the right features.

Fleet performance, network ready and very affordable. The compact and hardworking DocuPrint C2200 delivers uncompromising quality and a full-range of office-friendly features that are ideal for busy workgroups.

Fits your office and budget

Maximize office productivity with minimum overhead. The DocuPrint C2200 proves that efficiency need not be expensive as it offers a variety of big-printer advantages that are seldom found on other printers in its class.

- **Fast and trouble-free installation** gets you up and running without time-consuming and expensive support calls.
- **Economical high-yield toner cartridges** reduce per page cost and minimize down time for replacement.
- **A low energy consumption rating** makes the DocuPrint C2200 both green and economical.
- **Administration tools** provide intuitive, browser-based configuration of printer and user settings.

Crisp, professional-looking documents

High-resolution and superior colour combine to give your documents a polished look. Photos come to life with breathtaking clarity, while charts and graphs command special attention — a nice touch for the office that wants to look its best.

- **Razor-sharp printing** at 9600 x 600 dpi produces crystal-clear text, photos, and graphics. Even small text and super-fine lines display exceptional sharpness.
- **Rich and vibrant colour** is yours thanks to Fuji Xerox's unique EA-HG toner. The small and uniformly shaped toner particles deliver breathtaking results.
- **Compatibility with Adobe® PostScript® 3™ and PCL6** lets you choose the right driver for the application, thereby giving you increased control over print operations.

Performance-based functionality

Designed to satisfy the demanding needs of busy workgroups, the DocuPrint C2200 has the power for any office. Whatever the task, outstanding speed and responsiveness keep your office humming at peak productivity.

- **Lightning-quick 25 ppm output** and a fast full-colour first-page-out-time of less than 17 seconds reduce waiting time and eliminate bottlenecks at the printer.
- **A 400 MHz processor and 256 MB RAM** (expandable to 768 MB) shorten the processing time of complex and graphics-intensive documents.
- **Optional duplex unit and 550-sheet feeder** vastly expand output capabilities — excellent for printing multiple sets of multiple pages documents and reduce user's intervention to refill the paper.

Comprehensive networking

Versatile connectivity and a host of privacy features make the DocuPrint C2200 the wise choice for today's complex and security conscious environments.

- **Multiple interfaces** allow connection to your existing office LAN via 100Base-TX/10Base-T or directly to a computer via USB 2.0.
- **Solid security features** provide everything you need to protect confidential data — both over office LANs and the Internet. Tools include IPv6+IPSec, IEEE802.1X authentication* and SNMPv3 (for TCP/IP).
  * Requires the optional hard disk.
- **Multiple platform compatibility** extends not only to Windows and Macintosh networks but also various versions of Linux.
- **Full-featured Citrix XenApp™ and SAP R/3®** enterprise printing solutions can be easily rolled out using ApeosWare Device Type.
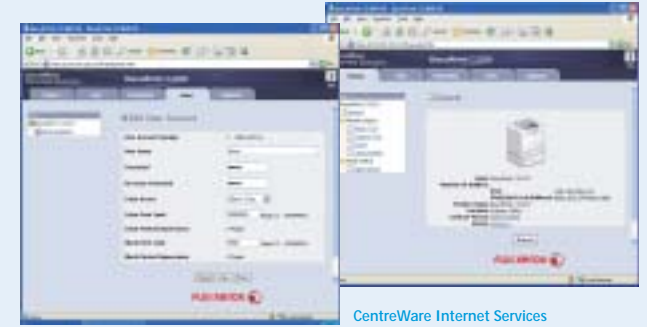

Effortless maintenance and administration

The DocuPrint C2200 is a joy to users and administrators. Replacing consumables is fast and straightforward while printer and user administration is as simple as point-and-click.

Easy front access
Consumables such as toner, fuser and belt unit are conveniently located and easily accessed from the front. This intelligent design reduces the space needed for installation.
Fuji Xerox Auditron
Keep track of printer usage and set print limits to users with this comprehensive set of management tools for network administrators.

CentreWare Internet Services
Simplify installation and configuration. Also, to obtain up-to-the-minute status reports with this browser-based software. Automatic e-mail alerts notify administrators or users of events that require attention such as low toner levels.

Environmentally conscious

Fuji Xerox shares your concern for the earth and strives to minimize the environmental impact of all our activities. Our environmental responsibility covers the entire life of the DocuPrint C2200, from manufacturing and operation, to production and recycling of consumables.

Oil-free and reduced CO2 emissions
EA-HG toner used in the DocuPrint C2200 does not contain oil, thereby helping to conserve this precious resource. In addition, the amount of CO_2 emitted during manufacturing is reduced up to 35%, further reduce environmental burden.

Power saving operation
The DocuPrint C2200 consumes only 9 W of electricity per hour during sleep mode and has a highly efficient TEC (typical electricity consumption) of 2.351 kWh per week.

Forest-friendly
Packaging for high-capacity (9,000-page) toner cartridges consumes 20% less paper than packaging for low-capacity cartridges used by some of our competitors. Likewise for our printing paper, Fuji Xerox forest-friendly packaging utilizes recycled paper.

Certified energy efficient
The DocuPrint C2200 carries International Energy Star certification. Energy Star is a voluntary labelling program designed to identify and promote energy-efficient products to reduce greenhouse gas emissions.
