4250

WorkCentre® 4250 Monochrome Multifunction Printer

Productivity meets affordability

WorkCentre® 4250

Monochrome Multifunction Printer

Kick office productivity into high gear with the Fuji Xerox WorkCentre® 4250. It combines world-class copy, print, colour scan and fax capabilities with exceptional reliability and ease of use. It is ideal for the busy office that needs large departmental MFP capabilities in a A4-sized, value-priced device.

Feature-rich and cost-effective

The competitively-priced WorkCentre® 4250 multifunction device is loaded with features to help you manage costs without compromising on power.

- **Tailored to your business requirements** with configurations ranging from desktop to floor-standing models that provide copy, print, scan, email and fax functions. Large finishing capabilities include collation, stapling and paper input of up to 3,100 sheets.
- **Fast copy speed to handle heavy demand:** Copy and print as fast as 43 ppm, with the first page out in as fast as 8 seconds.
- **Colour scan capabilities** mean you may communicate in colour via email or digital file distribution without additional cost.
- **Usage counters** allow you to track and analyse device usage by function for better cost control.

Easy to install, use and maintain

Unprecedented ease of use and reliability from a truly robust and integrated multifunction device.

- **Network-ready** and easy to install on Microsoft Windows, Apple Macintosh and Linux networks.
- **Eases network management chores** with remote device monitoring and troubleshooting via CentreWare IS embedded web server and CentreWare Web, and third party management systems. Automatic email alerts are generated on occasions that require attention, such as low toner levels.
- **Easy-to-use** includes an intuitive icon-based colour touch screen with simple instructions and Help screens for copy, scan and fax jobs. It also enables you to print, scan or store data using a USB memory drive – no computer needed.
- **Keeps confidential documents safe** with a password-protected secure print and encrypted hard disk.

Why do you purchase a huge, full-sized MFP when you primarily work with A4-size documents? Get everything you would expect on a powerful Fuji Xerox multifunction device, that is surprisingly small and at a very affordable price!

Save Money

- Automatic two-sided copying and printing saves paper.
- Fax forward to email feature allows you to avoid unnecessary printing.
- Toner cartridge and imaging unit are separate consumables, maximising the life of each.
- Energy save mode is always “on,” thus minimising power consumption.

Save Time

- No more running down the hall to make a copy: Its surprisingly small size means it can be placed near to users.
- ID Card Copy scans both sides of an ID card and prints them face-up on a single sheet of paper.
- No print bottlenecks because the Print Around feature automatically holds job with missing resources (such as a different paper size), and prints the next job in the queue.
- Multiple functions can be accessed at the same time: scan while printing or receiving an inbound fax, or interrupt a print job to make a copy.

So advanced yet simple. The full-colour touch screen is easy to use and navigate. Whether printing, copying, scanning, faxing or emailing, the bright and colourful display guides you from start to end with easily recognisable icons.

- 1 100-sheet Duplex Automatic Document Feeder scans two-sided documents in sizes up to 216 x 356mm.
- 2 Full 216 x 356mm platen glass allows you to scan legal-size documents without removing staples.
- 3 80 GB internal hard drive lets you handle more tasks. The Save Print feature keeps frequently-used documents available for quick printing on the go.
- 4 Advanced faxing capabilities include Embedded Fax and LAN Fax (for paperless faxing from your desktop), plus Secure Fax Receive and Fax Forward to email.
- 5 USB direct printing/scanning lets you store or print directly from any USB memory drive.
- 6 100-sheet bypass tray.
- 7 Standard 500-sheet tray.
- 8 Additional 500-sheet tray.
- 9 2,000-sheet High Capacity Feeder boosts total paper capacity up to 3,100 sheets.
- 10 Finisher collates and staples sets of up to 50 pages. Available for both desktop and floor standing models.

Powerful scanning solutions

- **Scan to email** allows you to email files to recipients directly from the touch screen.
- **Network scanning** uses convenient templates to send scanned files to predefined locations.
- **Copy to hard drive** lets you copy files to the device's hard drive for easy retrieval.
- **Scan to USB** sends scanned images directly to a portable USB storage device.

WorkCentre® 4250
