Phaser 5550 Laser Printer

Print more, print faster. Productive, reliable and packed with value, the Fuji Xerox Phaser 5550 laser printer means serious business for any office with diverse and high-volume print demands.

Extensive paper handling and finishing capabilities

Multiple input and output options for high-volume printing. Print on the widest range of media — from postcard to A3 size, from 60gsm paper to 215gsm card stock, cover, envelopes, labels and transparencies.

Usage tracking simplified

Great for managing budgets, the CentreWare IS internal web server's helpful accounting features make it fast and easy to track device usage and plan ahead for upcoming supply needs.

Powerful productivity

Get up to speed with the Phaser 5550 — the A3 laser printer that delivers the ultimate combination of peak performance and impressive print quality.

50ppm

- **Fast printing at up to 50ppm** — for both single-sided and two-sided printing — quickly handles even the most demanding print workloads.

- **1,200 x 1,200dpi** print resolution and Fuji Xerox exclusive EA-HG toner technology deliver exceptional print quality without slowing down the printer's outstanding performance.

- **Complex print jobs made easy** — even multi-page jobs with graphics, images and charts — thanks to a powerful 500MHz processor.

- **A first-page-out time as fast as 6.5 seconds** means no waiting, even on a busy network.

- **Custom media sizes plus** advanced printing features, like collation, booklet making and edge-to-edge printing, meet your complex printing needs. Add a finisher for stapling and hole punching.

Smart, reliable operation

The Phaser 5550 laser printer comes loaded with cutting-edge intelligence features that simplify installation and everyday use. And with highly durable components throughout, count on total reliability day after productive day.

- **Easily output heavy print volumes** thanks to a robust duty cycle of 300,000 pages per month.

- **Xerox Installer** automatically installs and configures your printer for easy network connection, getting you up and running in minutes.

- **Private data stays secure** thanks to built-in support for 802.1x and IPv6, the latest network security protocols.

- **Network printing is easier than ever to manage.** Helpful features like CentreWare IS internal web server let users manage the device from their computers, and Email Alerts notify administrators of common occurrences, such as low toner levels, before they impact productivity.

- **PhaserSMART® online troubleshooting** provides 24/7 access to the online Xerox Knowledge Base, delivering fast solutions so you get back to work quickly. Plus, PrintingScout® notification delivers instant pop-up messages right to your desktop if print issues arise.

Value throughout

It's simple: The Phaser 5550 laser printer delivers more for your money than any other printer in its class, and always-low operating costs keep it truly bottom-line friendly.

- **An unbeatable total cost of ownership** results from the printer's affordable purchase price and low cost-per-page.

- **Long-lasting consumables** increase uptime, and separate print drum and toner cartridge allow for optimised use of each component.

- **Expect consistent, trouble-free performance** from a printer that's rated to deliver an impressive 500,000 mean prints between failure.

- **Get best-in-class value** with extensive printer management tools, up to 1GB memory, Adobe® PostScript® 3™, and more.

- **The Usage Analysis Tool and Job Accounting feature** let you collect, organise and analyse usage data for tighter cost control.
